

Using the MyCareer Match Program

Go to: <http://www.mycareermatch.com.au/>

Click on: Scroll down and click on 'Career Profile'

Watch: View the 'MCM User Instruction video'

Click on: Scroll down and click on the 'Click to Start' button

Fill in: Fill in your details in the appropriate fields then click 'Proceed to Questionnaire'

Get to it!: Complete the questionnaire

- There are 8 sections of questions to complete
 - Read all information carefully on each screen
 - For each question you will select an option that is 'most like me' and one that is 'least like me'
 - You should complete this on your own as this is about your career and future, not your friends or family!
 - At the end of each section, click on 'Next section'

Once finished you will be asked to 'Choose your report'

Click on: MyCareerMatch

Write code: Add the code below -

NGC:1032

Click on: 'Click to complete'

IMPORTANT: It costs the school each time a student enters this code and only a certain number of accounts have been purchased. Ask students to be patient once they've entered their code, rather than continue to re-enter the code (unless prompted to)

Click on: 'Download my profile' and save a copy of your profile (NB: a copy will also be emailed)

Print: Your profile

Read: Read through all aspects of your profile and be familiar with the information on it
